## **CIRCULAR LETTER #1822**

**To All Bureau Members and Subscribers:**

Re: **New Jersey EDI Migration to Release 3**

The Compensation Rating and Inspection Bureau (NJCRIB) is pleased to announce that we will be migrating from IAIABC Claims Release 1 to IAIABC Claims Release 3 for First Report of Injury (FROI) and Subsequent Report of Injury (SROI). **The project will commence on July 1, 2011 with completion by June 30, 2012.**

This transition, with the assistance of ISO, should have minimal impact on the reporting of FROI and SROI data. The reporting process and data delivery services that are currently used will remain the same during and after the transition. The current NJCRIB Implementation Guide (Release 1) will be retained on the NJCRIB.com website, in addition to the New Release 3 version.

Additional communications on the transition will be forthcoming. If you have any questions regarding this matter, please contact the following individuals:
